THE LEADERS.

You Want One We Know!  
The Old Reliable Racine.

There are many reasons why you should buy a RACINE buggy. The looks, the finish, the workmanship and the guarantee are things which should be taken into consideration when buying a buggy, and in no other vehicle can all the points of superiority be found as they can in a RACINE. The large number now in use in the neighborhood is sufficient evidence of their satisfying qualities.

Freight Agent Koontz On Kansas Wheat.

WILL HAVE 4,125,000 BUSHEL.

Special to the Rustler.

Topeka, Kans., May 29.—James R. Koontz, general freight agent of the Santa Fe R. R., has been gathering facts concerning Kansas wheat prospects. He says the assessors report 5,591,472 acres in wheat, and that the average yield will be 18 bushels to the acre, or 80 per cent of a full crop.

Mr. Koontz's estimate places Barton county in the lead for wheat production. It is in a class by itself. Its estimate is 4,125,000 bushels. Reno is next with 3,125,000. Edwards, Ellis, Ellsworth, Kingman, McPherson, Pawnee, Pratt, Rice, Russell, Sedgwick, Stafford and Sumner are in the 2,000,000 class. Seventeen other counties are in the 1,000,000 class.

The total yield for the state he fixes it upwards of 82,650,00 bushels.

## WHERE DISEASE GERMS BREED.

No Need to Fear "Germ" if The Stomach Be Healthy.

The ideal breeding place for disease germs is a weak stomach and digestive assimilating, turns into a sour, slimy, fermenting mass, causing gasses, distress after eating, bloating, nausea and flatulency. The poisonous germs that are given off from this undigested food enter the blood, and pimples, boils, and blotched skin is the result. Nervousness and sleeplessness come more often than from any other one cause.

No ordinary food digestive can give lasting relief. It is absolutely necessary, if one wishes to be well, to use Mi-o-na, the only known remedy that soothes and heals the mucous membrane of the stomach and digestive tract, stimulates the solar-plexus, strengthens the nerves of the stomach.

Mi-o-na is a guaranteed cure for all diseases of the stomach excepting cancer, a guarantee being given by Hooper Drug Co. with every package they sell, agreeing to refund the money should the remedy not give perfect satisfaction. Mi-o-na costs but 50 cents a box.

The convention was a success and the basket dinner was much enjoyed.

## A Good Time Abroad.

F. V. Russell is in receipt of a letter from Mr. Weirauch and the boys, who had a good time between here and New York, and seem to be having a good time on the other side. The letter was written on May 11th., and the boys had just started for Switzerland and Italy, in company with a gentleman from Erie Pa., who speaks German. They landed at Antwerp and proceeded from there to destination by rail. They took a trip on the river Rhine, both up and down, and visited the old Misers but, in the middle of the stream. In Starasburg the boys got a glimpse of Kaiser Wilhelm. He says so far everything has been just as fine as it could be. He expects to come home before the boys do, they thinking they can make their way alone, and we believe they can.

## A Fine Animal.

The thoroughbred Hackney horse Stuntncy Alroy, now owned by Dr. Christner of this city is a beautiful animal and is one that has never been beaten at any horse show in England, Ireland or America. He is an imported animal and one that it will do you good to see.
